Tailgate Gap Cover

GAPSHIELD

Prevent damage and loss from material falling through tailgate gap and make clean-up a snap!

Simple and effective solution to keep loose material out of tailgate gap

Save Time and Material

- Stop wasting time picking material out of the gap
- Keep material from spilling on the ground
- No more hassle closing your tailgate

Protect Your Truck

- Prevent scratches or dings to your tailgate and gap where liners don't protect
- Protect following traffic from leaked debris

Easy Install

- Fits all pickup trucks
- Securely adheres to most truck bed surfaces, including spray-on and drop-in liners
- Simple install: Cut, Peel, Stick

Durable

- Made to last from durable high strength elastomer
- Utilizes high strength 3M® tape and adhesion promoter for long-lasting performance

Start protecting your truck today

Aerodynamic Rear Mount Truck Cargo Box

AEROBOX

Secure and access truck bed cargo easier than ever!

Innovative rear mounted aerodynamic design provides attractive alternative to conventional truck boxes

Easier Access

- Easy cargo access at tailgate opening
- Less hassle and strain
- Great for all truck owners

Improved Truck Performance

- Reduces drag, improving fuel economy
- Distributes weight to rear wheels, improving traction
- Improves rear visibility, enhancing your safety

Greater Utility & Flexibility

- Works with standard tonneau covers, rail bars, & racks
- Stores sports equipment, fish/hunt/camp gear, shopping, tailgating
- Removes easily, opening full truck bed cargo capacity

Security and Portability

- Discourages theft - door cannot be seen or accessed with tailgate closed
- Secure AeroBox to truckbed in seconds with patented dock-n-lock system
- Roll box to/from jobsite, activity site, or safely in garage with integrated wheels

Available Fall 2013

Mobile Trash Receptacle and Clean-Up Center

TRASH-IT TRAVELER

Wet, smelly trash and germs in the car is yesterday's problem! Sanitize your travelling environment!

Keep your car, RV, or boat looking and smelling nice all the time

Odor-free Trash Disposal

- Solution for wet, smelly trash while traveling
- Dispose of peels, tissues, clean-up wipes, gum, wrappers, etc.
- Seal in odor and moisture with unique multiple barrier pack and self-sealing closure

Hygiene While Traveling

- Typical car interior has many times more germs and bacteria than a public restroom
- Protect your family's health with easy and convenient access and disposal of sanitizing materials such as wipes, tissues, and anti-bacterial soap while traveling
- Wash up before "on-the-go" meals or snacks
- Clean up those ill-timed messes

Protect Our Resources

- Dispose of litter properly
- Uses biodegradable liners or recycled grocery bags
- Hand made in USA by America's moms . . . our most precious resource
